TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

On or about (*minimum 15 days after date of publication or 18 days after posting*) January 2, 2019 the City of Lordsburg will request the US Department of Housing and Urban Development to release federal funds under Title I of the Housing and Community Development Act of 1974 (PL 93-383) for the following project:

PROJECT TITLE OR NAME: City of Lordsburg 2017 CDBG Water Distribution System Improvements

PURPOSE OR NATURE OF PROJECT: Water Distribution System Improvements

LOCATION OF PROJECT:

City of Lordsburg, Hidalgo County, New Mexico

City, County, State

Census Tract(s)

ESTIMATED COST OF PROJECT: \$686,370.00

PROJECT SUMMARY: The City of Lordsburg intends to complete water system improvements for the City of Lordsburg 2017 CDBG Improvements project. The proposed project area is located within Township 22 South, Range 8 West, Section 32; Township 22 South, Range 18 West, Section 33; Township 23 South, Range 8 West, Section 01; and Township 23 South, Range 18 West, Section 05. The approximate latitude and longitude coordinates for the City of Lordsburg are -32 degrees 21 minutes 1.44 seconds N, 108 degrees 42 minutes 31.32 seconds W.

The proposed Improvements will include the replacement of approximately 740 lineal feet of 6" PVC water line, 35 lineal feet of 2" service line, and 260 lineal feet of 3/4" service line along Avenida del Sol. Upon installation of the improvements, the disturbed portions of the street, sidewalk, curb and gutter will be repaired with new asphalt and concrete. The proposed improvements will also include the replacement of approximately 450 lineal feet of 10" PVC water line inside 325 lineal feet of 20" diameter steel casing along Main Street which is the main water transmission line that feeds the entire city. Likewise, the proposed improvements will also include the replacement of eight (8) pressure reducing valves (PRV) within the city limits.

The project area is within platted City of Lordsburg right-of way and involves excavation activities associated with trenches for water mains, installation of underground steel casing, and installation of PRV's.

FINDING OF NO SIGNIFICANT IMPACT

An environmental review of the project has been made by the Grantee and is available for public examination and copying at the office noted above. Based on this review, the Grantee has determined that a request for release of project funds will not significantly affect the quality of the human environment and hence, an environmental impact statement will not be undertaken under the National Environmental Policy Act of 1969 (PL 91-910).

The reasons for the decision not to prepare an environmental impact statement are as follows: Impacts are minimal and an Environmental Impact Statement (EIS) is not warranted. The proposed project is in compliance with local, state, and federal regulation within the context of NEPA. The environmental investigation conducted for the project found; No adverse impacts to historic or cultural resources; no adverse impact to wildlife or habitat; no adverse impacts to natural resources include air, water and soil. The proposed action is compatible with local planning efforts, zoning, regulations and neighboring land uses.

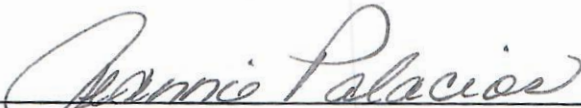

Public Comment on Finding

All interested agencies, groups or persons disagreeing with these decisions are invited to submit written comments for consideration by the Grantee by date December 31, 2018. All comments must clearly specify which decision they object to - The Finding of No Significant Impact or the Request for Release of Funds. All comments so received will be considered by the Grantee prior to its taking any administrative action or requesting release of funds on the date listed immediately above.

RELEASE OF GRANT FUNDS

The Grantee will undertake the project described above with Block Grant funds from the US Department of Housing and Urban Development (HUD), under Title I of the Housing and Community Development Act of 1974. The grantee is certifying to HUD that the City of Lordsburg and Mayor, Robert Barrera in his/her official capacity, consent to accept the jurisdiction of the federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making and action, and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, the Grantee may use the Block Grant funds, and HUD will have satisfied its responsibilities listed in 24 CFR Part 58. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: **(a)** that the certification was not in fact executed by the Chief Executive Officer or other officer of the Grantee **(b)** that the environmental review record for the project indicated omission of a required decision finding, or step applicable to the project in the environmental review process, or **(c)** another federal agency has submitted written comments pursuant to Section 309 of the Clean Air Act or Section 102(c) of NEPA. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58) and may be addressed to HUD or LGD/DFA, Room 202 Bataan Memorial Bldg., Santa Fe, NM 87501. Objections to the release of funds on bases other than those stated above will not be considered by HUD or LGD/DFA. No objection received after 15 days from the date of request for funds listed above will be considered by HUD or LGD/DFA.
